APRIL AND JUNE FOOD DROPS

The world has been drastically impacted by the COVID-19 pandemic and wherever you may be, you have no doubt felt the effects. Zimbabwe went into the first of two lockdowns in April 2020 and as a result, schools were closed and most people were unable to work. In order to help our sponsored children and alleviate any food insecurity, we arranged to deliver food hampers in April and June 2020 so that they may continue to have access to food. We worked with our partner organisation, Ndaiziva, to ensure delivery of the packs which contained staple items for the children.

LONDON MARATHON 2021

We were very fortunate to obtain a charity space to enter a runner for the London Marathon 2021. We invited entrants to register their interest to run on our behalf and had a number of interested parties.

We are very proud to announce that Tom Webb has been chosen to run on our behalf. He is aiming to raise a minimum of £1,500 for the Sponsor a Child programme and we hope you will support him.

We have provided below, his Virgin Money Giving page where you can find out more about his motivations for volunteering to run for K.U.K Alliance.

VIRTUAL QUIZ

Due to Covid-19 restrictions, we were unable to plan another Summer Fundraiser, however, we were able to have a virtual quiz in time for Black History Month. We had a lot of fun testing our history knowledge and the lucky quiz winner was Feyi Osinuga! We were able to raise £240 with all your help! We will be hosting another fun virtual quiz this December! Stay tuned for more information to follow!
